

Perhaps he put too burdens on his shoulders because he had to prove both the function of the app and the strength of his muscle.

Hold on.
Are you drawing
the push up story?

Then you should
make me
look good!

As my respond wasn't
very exciting,....

... Max seemed disappointed.

He got injured.

A new app that
he downloaded recently was...

... an exercise app.

Then he tried to show me a demonstration
to make me more excited.

It's because of you.

Nowadays we can use so many
different interesting and useful apps.

After he told me his plan,...

... he started doing push ups.

Fun games, useful messengers
or educational apps ...

May likes to recommend new apps
after he searches and tests them.
